

TLQMC President's Newsletter – July 1, 2021

Gentlemen,

I'm just sitting here trying to think of anything that is newsworthy other than the weather and I'm coming up blank—OH Yay, Joe Rutherford had a hole in one on Monday on hole #11. It is Joe's first here at Trilogy so the next time you see him get him to buy you a drink!

Keep in mind our next tournament is the Dry Heat tournament scheduled for August 9th and 10th. The Dry Heat is a really fun tournament if you can handle the heat. More information will be coming out shortly.

The golf course is still in very good shape; fairways are really nice, and the greens are adjusting to the higher temperatures. For those of you who are still here give Kevin a big thanks for the job he is doing with the limited resources he has to work with.

Pretty much out of things to talk about, stay healthy and be good to one another.

Rich Mercatante-President TLQMC
