

Gentlemen,

As I mentioned in my previous newsletter our annual Welcome Back tournament is scheduled for November 15th and just as important, please reserve November 17th for our annual general meeting to elect board members for the 2022 season. We originally planned on having the general meeting the same day as the tournament but since we probably will not be allowed to have a shot gun start it made it logistically impossible to meet on the same day. The general meeting will be at 4pm in the Santa Rosa Club and as usual everyone will get a free drink.

In other news, the Men's club donated \$100.00 to MJ the young man who worked for the golf course. As far as the golf course is concerned they appear to be ready to start re-seeding but as of this minute it has not started and I have no other news to report on that subject.

Since it's October and most of the golf courses in the valley are in some stage of re-seeding maybe it's time we work on things other than golf like world peace, understanding what our wives are talking about and other unsolvable problems!

DATES TO REMEMBER: NOVEMBER 15TH—WELCOME BACK TOURNAMENT

NOVEMBER 17TH—GENERAL MEETING

DECEMBER 14TH—HOLIDAY TOURNAMENT/PARTY

Sincerely,

Rich Mercatante-President TLQMC
