## **TLQMC Board Meeting**

- Tom Sweet opened the meeting at 2:00pm. Tom informed the Board that John Clough will be filling the position of Rules Chairman.
- Nick Smyth asked if there were any questions regarding the Men's Club website. Tom Sweet suggested refining the website and eliminate the Classified ( items for sale) section. Also, the current President's Newsletter will be removed at the end of the month.
- Dennis Asher reported that the Member/Member/Member/Guest event dates have to be rescheduled because of a conflict. He has requested date changes of 4/4 and 4/5 with the golf course. Those dates have been approved by the golf course as of 2-8-22. This may require rescheduling other events such as the Eclectic tournament.
- The Board discussed having three General Men's Club meetings this year, one which is the Annual Membership Meeting. The next General Men's Club Meeting will be on 4-11-22 at 3:00pm. The Board will meet before the General Meeting at 1:30pm in the Santa Rosa Room.
- Mike Budd reported the current Men's Club has 134 members. One new member added, Bob West.
- Mike Wolff reported the Men's Club current balances \$15,119.00
- Bill Gorgone discussed the low entry applications for the Couples Tournament (22 Couples) and also for the Men's Club Championship Tournament. This led to a bigger discussion of Men's Club participation in tournaments. The Board will discuss this with the Men's Club at the General Meeting on 4-11-22. Hopefully we get some member input on what types of tournaments they enjoy and would like to participate in.
- The minutes from 1-17-22 were approved and the meeting adjourned at 3:24pm.
