

President's TLQMC Newsletter – March 2022

The Men's Club has completed 2 important Tournaments this month. Couples Club Championship and the Club Championship. Bill Gorgone has been doing an outstanding job balancing these 2 tournaments and another upcoming TLQMC Member/Member and Member Guest.

Congratulations to David and Joan Murrell our "Gross" Couples Club Champions and Tom and Sue Sweet "Net" winners.

Club Championship has just completed. Our "Club Champion" is John Clough with a 3-day total of 227, congratulations to him and our other winners: Flight B - Ed Warman, Flight C - Neil Cortesi and Flight D – Dave Thompson. We had a large field with 4 flights. Great member participation!

A committee is in the process of putting together our Member/Member and Member Guest Tournament on 4/4 and 4/5, which will include a social get together on Sunday 4/3 with para-mutual betting and appetizers and a dinner for players and their spouses on 4/5. It will be a great event and it will fill up quickly so get your completed entry into Michael Wolf.

We have changed some upcoming Monday's events. Check the TLQMC Web site.

The Golf Club has raised the prices for golf up by \$5 effective March 1st so it's now \$100 for residents and \$90 for charters. The good news is that for Men's Club events residents will be paying \$85 and charters - \$75.

We all have new neighbors with all the homes sold in the last couple of years. If you haven't already, please get the word out and invite them to join the Men's Club.

If any members have new phone numbers or email addresses, get them to Mike Budd (fbudd@gmail.com) so he can get the roster updated.

Stay well and get involved in your Men's Club.
