

Gentlemen,

During the Summer Months there is not much to report, so my Newsletter will probably be Bi-Monthly.

Golf Course update. On May 27th the court granted Key Golf's request for a writ of attachment against the owners of Coral Mountain Golf Course, which prevents them from selling the property until Key Golf's \$1.5 million claim is resolved. On May 31st the lease expires on the restaurant which includes the golf cart barn and parking lot both of which are necessary for continued operation of the course and there is no record of a request for an extension. There will be a hearing on June 16th on Byline Bank's request to foreclose on the Bistro property in order to recover unpaid loans.

Monday play continues with high participation. Dennis Asher, our Monday Play coordinator, has asked that you include your first and last name when you sign up. Start time is (for now) 0632. There have been some minor changes to our 2022 weekly calendar - check it out. Pick up your scorecards in the pro shop Men's Club box and prior winnings will be attached to them. We will be alternating front and back nine weekly and on June 6th we will start on #10.

We have a great tournament coming up on 8/1 and 8/2, our annual Dry Heat Tournament. Bill Gorgone our Tournament Director is already preparing for this event, plan ahead and get your partner.

Congratulations to Dick Sipe for his hole-in-one on #8.
