

TLQMC Board Meeting

September 28, 2022

Attendees: Tom Sweet – President, Brad Holland - VP, Bill Gorgone – Tournament Director, Dennis Asher – Monday Play, Mike Budd - Membership, Bill Ward – Secretary, Bruce McGraw - Handicap Chairman

- Tom Sweet opened meeting at 3:02 pm.
- Tom mentioned that we do not know when the golf course will be re-seeded or we do not know an opening date. Tom mentioned we needed to establish the Men's club dues for 2023 and the 2023 Calendar of Events.
- Mike Budd informed the Board that the 2023 Men's Club dues are now payable. Mike will inform the Men's Club that the dues will be \$136 dollars that includes \$36 for SCGA dues. If the golf course does not open, members will get refunds except for the \$36 for SCGA dues. The dues amount is good until 12/15/2022. Mike also discussed the need to get more members playing in Monday Play. He said we should look at some different games and get more membership input. He mentioned even a possible skins game. The Board will look into some different games for 2023 with help from the membership.
- Brad Holland discussed the upcoming Board Meetings and the General Men's Club meeting scheduled. The Board decided to cancel a 10/10/22 Board Meeting because we do not have a golf course opening date. We left the General Men's Club Meeting for 12/5/2022 for now.

- Bill Gorgone discussed upcoming tournaments. The Welcome Back and Holiday tournaments. The Board discussed possibly combining the two tournaments because we do not have a golf course opening date. We discussed but did not make a decision to combine. Bill will notify Men's Club members that the Welcome Back Tournament would be 11/14/2022. Entry Flyer to follow.
- Dennis Asher discussed the difficulty in putting the Calendar of Events together. Dennis asked the Board to participate in putting the games and schedule together for 2023.
- Bruce McGraw mentioned that the men's club were turning in completed scorecards in the men's club box. Bruce made mention of missing dates on cards and perhaps they didn't know he will post 9-hole scores for them when applicable and 18 hole scores, even if they can't finish, as long as they play a certain number of holes prior to withdrawal.
- Bill Ward added the need to really look at the golf games on the calendar and see if the board can figure out what games the club members could be interested in.
- Meeting closed at 3:50 pm.
