

## President's Newsletter – April 6, 2024

Gentlemen,

As spring is winding down into summer, we will be saying goodbye to our Seasonal friends. This coming week we will be getting into the 90's so we know it is time for them to be heading home. As always it has been fun - now the full timers can get our Costco back, restaurants and gas stations without the usual long lines during the height of the season.

Hopefully in November when the Snowbirds return, we will have a golf course, pro shop and restaurant up and running. It has been a long process, and everyone is extremely happy with the final result of the Homeowners taking possession of the golf course.

We really are lucky to have had such a qualified Board of Directors. We did have an election and again we voted in a great Board to continue with keeping our Golf Course on track for all of us to enjoy. A special thanks to our three Board Members who are members of the Men's Club - Mark Reider, Brian Mooney and Phil Jamison - for dedicating countless hours of their own time to see this through. That said our other board members deserve a special thanks also.

We did have a year-end get together which was well attended with about 55 Men's Club Members. We had some hot dogs, beer and sodas for our last event till November.

Funny you throw out “FREE” hot dogs and beer and they will come!!!!

The Men’s Club Board will be putting together a schedule for next years’ events. I hope to be meeting with Blue Star so we can have some input on our side and see what they might be offering all of us golfers from their perspective. When we do have information, this will be put out to all of you.

I want to thank all who are serving on the Men’s Club Board for their hard work behind the scenes. Everyone has done a fabulous job. It has been some weird times but come November we will be ready for a great 2024-25 season!

Have a great summer, be safe and stay healthy.

Tom Sweet

TLQMC President
